A lotof the team members like to go down on Friday night so you areinAtlantaand not rushed to get there at 7 AM Saturday morning. You haveto cover the cost to stay Friday night. Most of us like toroom 4 to a room to help with that extra cost. (Plus you will need atleast one room mate for the Saturday night stay.) Someone inthe room needs to make hotel reservations. I have completedthe process and have included some notes to helpyou.

ONLY ONE of you inthe room will need to go online and make reservations foryour room. For the one that makes the reservations here iswhat you do:
go towww.2daywalk.org- clickon My Homepage Login on the left - then click log in underWalkers - click Hotel Reservations on the left - search roomsat the bottom - then select general block for who are you -then go through the process - Check In Fri Oct 2, Check outSun Oct 4 - You will have to enter a credit card #, onlyone night will be charged to your card but it will show atotal for 2 nights&the 2Day office says it will not becharged till the walk.

EVERYONE needs todo the event planner!!!! To do that - go towww.2daywalk.org- click on MyHomepage Login on the left - then click log in under Walkers -click Weekend Event Planner on the left - Youneed the I'm Ready for the Weekend package. This is for you toselect the type of lunch you want on Sunday&you willneed transportation back to the hotel after the walk. It isall free, but you still have to complete that information.
