Are you Ready????

I am! My excitement for this year is evident when you are around me. I am constantly trying to get others to join the team and the awesome experience that goes with it. At the same time I am thinking about fundraisers and how we are going to be #1 this year. We felt the economy slowing down last year in our fundraising efforts so I know this year is going to be even harder. That is why I feel it is so important for us to start now and work as a TEAM to make sure that we all reach OUR goal! So ask yourself, am I ready?
